DISCOVER YOUR STYLE

When you open the door of a KOHLER kitchen
you enter a new dimension where aesthetic design
merges seamlessly with convenient function.

KOHLER®

Living on the Leading Edge of Design and Technology

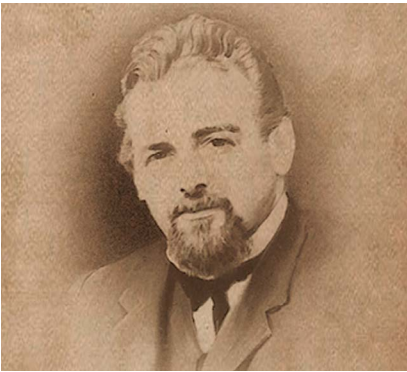

From products that perfectly combine design and technology
to overall kitchen and bathroom solutions,
KOHLER brings a gracious living to every customer

Kohler's Mission

A world-class brand built on a continuous tradition of excellence

With a rich history spanning 146 years, KOHLER brand has become synonymous with creativity, innovation and the highest standards of quality within the kitchen and bathroom industry.

Kohler mission is to contribute to a higher level of gracious living for all those who experience our products and services. We reflect this mission in our work, in our team approach to meeting objectives and in each of the products and services we provide our customers. We endeavor to live on the leading edge of design and technology in product development and process as well as maintain a single level of quality across all product categories and services.

Introducing Kohler

Founded in 1873 and headquartered in Kohler, Wisconsin, Kohler Co. is one of America's oldest and largest privately held companies employing more than 35,000 associates globally. With more than 50 manufacturing locations – of which 20 in the Asian region – Kohler is a global leader in kitchen and bathroom products, engines and power systems, decorative products, cabinetry and tile as well as owner/operator of two of the world's finest five-star hospitality and golf resort destinations in Kohler (Wisconsin) and St. Andrews, Scotland.

History of KOHLER Kitchens

1873

Kohler Co. is founded in Wisconsin, United States.

1883

John Michael Kohler manufactures the first bathtub.

1960

Kohler enters the cabinet industry in North America.

1995

Kohler enters the Asian Market.

2006

First Kohler cabinet factory is established in Asia

2008

Kohler Design Center opens in Shanghai (China)

KOHLER's PRO Integrated Kitchen Cabinet series is named Best Product Design by Domus, Italy's renowned architecture and design magazine.

2009

KOHLER's integrated kitchen cabinet series wins the Trendsetting Design Brand Award by the Kitchen & Bath Power List. In the same year, Kohler's Karbon kitchen faucet is awarded the International Best Design Award by the renowned Industrial Designers Society of America (IDSA).

2012

Inspired by the creative influences of the art world, KOHLER introduces another breakthrough innovation: KOHLER Cabinet Artist Editions, a new product line designed and created with the involvement of famous artists.

2014

KOHLER Kitchens Purist Range wins the "2014 Trends Stylish Icons Celebration" Award.

2017

Kohler Experience Centers (KEC) are opened in Singapore, Bangkok and Taipei to work closely with the Architects and Designers community throughout the whole kitchen cabinet specification process with the aim to provide support from initial planning to product selection to post-installation support.

2018

KOHLER launches a new exclusive premium kitchen cabinet collection designed by internationally renowned designer Steve Leung. The collection reflects its sophistication with the streamlined design, creating a clean silhouette while complementing the design details.

The Artistic Tradition of KOHLER Kitchens

A Creative Tradition of Inspired Design

Since 1929 when the Kathryn black fixture series was first displayed at the Metropolitan Museum of Art in New York city, artistic inspiration and creativity have been a key elements throughout Kohler rich history.

1929 – KOHLER's debut in the world of art begins when the Kathryn black fixtures series is exhibited at the Metropolitan Museum of Art in New York city.

1967 – The "Bold Look of KOHLER" tagline is launched, positioning Kohler at the cutting edge of a design revolution in the global kitchen and bathroom industry.

1974 – Kohler launches its "Art and Industry" program. Since the introduction of the program Kohler has hosted more than five hundred resident artists from around the world. The arts/industry program is still a key part of Kohler today and represents the inspiration of some of Kohler's greatest creative achievements.

2008 – KOHLER's PRO Integrated Kitchen Cabinet series is named Best Product

Design by Domus, Italy's renowned architecture and design magazine.

2009 – KOHLER's integrated kitchen cabinet series wins the Trendsetting Design Brand Award by the Kitchen & Bath Power List. In the same year, Kohler's Karbon kitchen faucet is awarded the International Best Design Award by the renowned Industrial Designers Society of America (IDSA).

2010 – Seeking to deepen its connection with the art world, Kohler launches an art project in cooperation with China's famous 798 Art Zone in Beijing. The idea is to bring working artists closer to Kohler's production process, encouraging them to apply their creativity to new industrial raw materials and techniques.

2012 – Inspired by the creative influences of the art world, KOHLER introduces another breakthrough innovation: KOHLER Cabinet Artist Editions, a new product line designed and created with the involvement of famous artists.

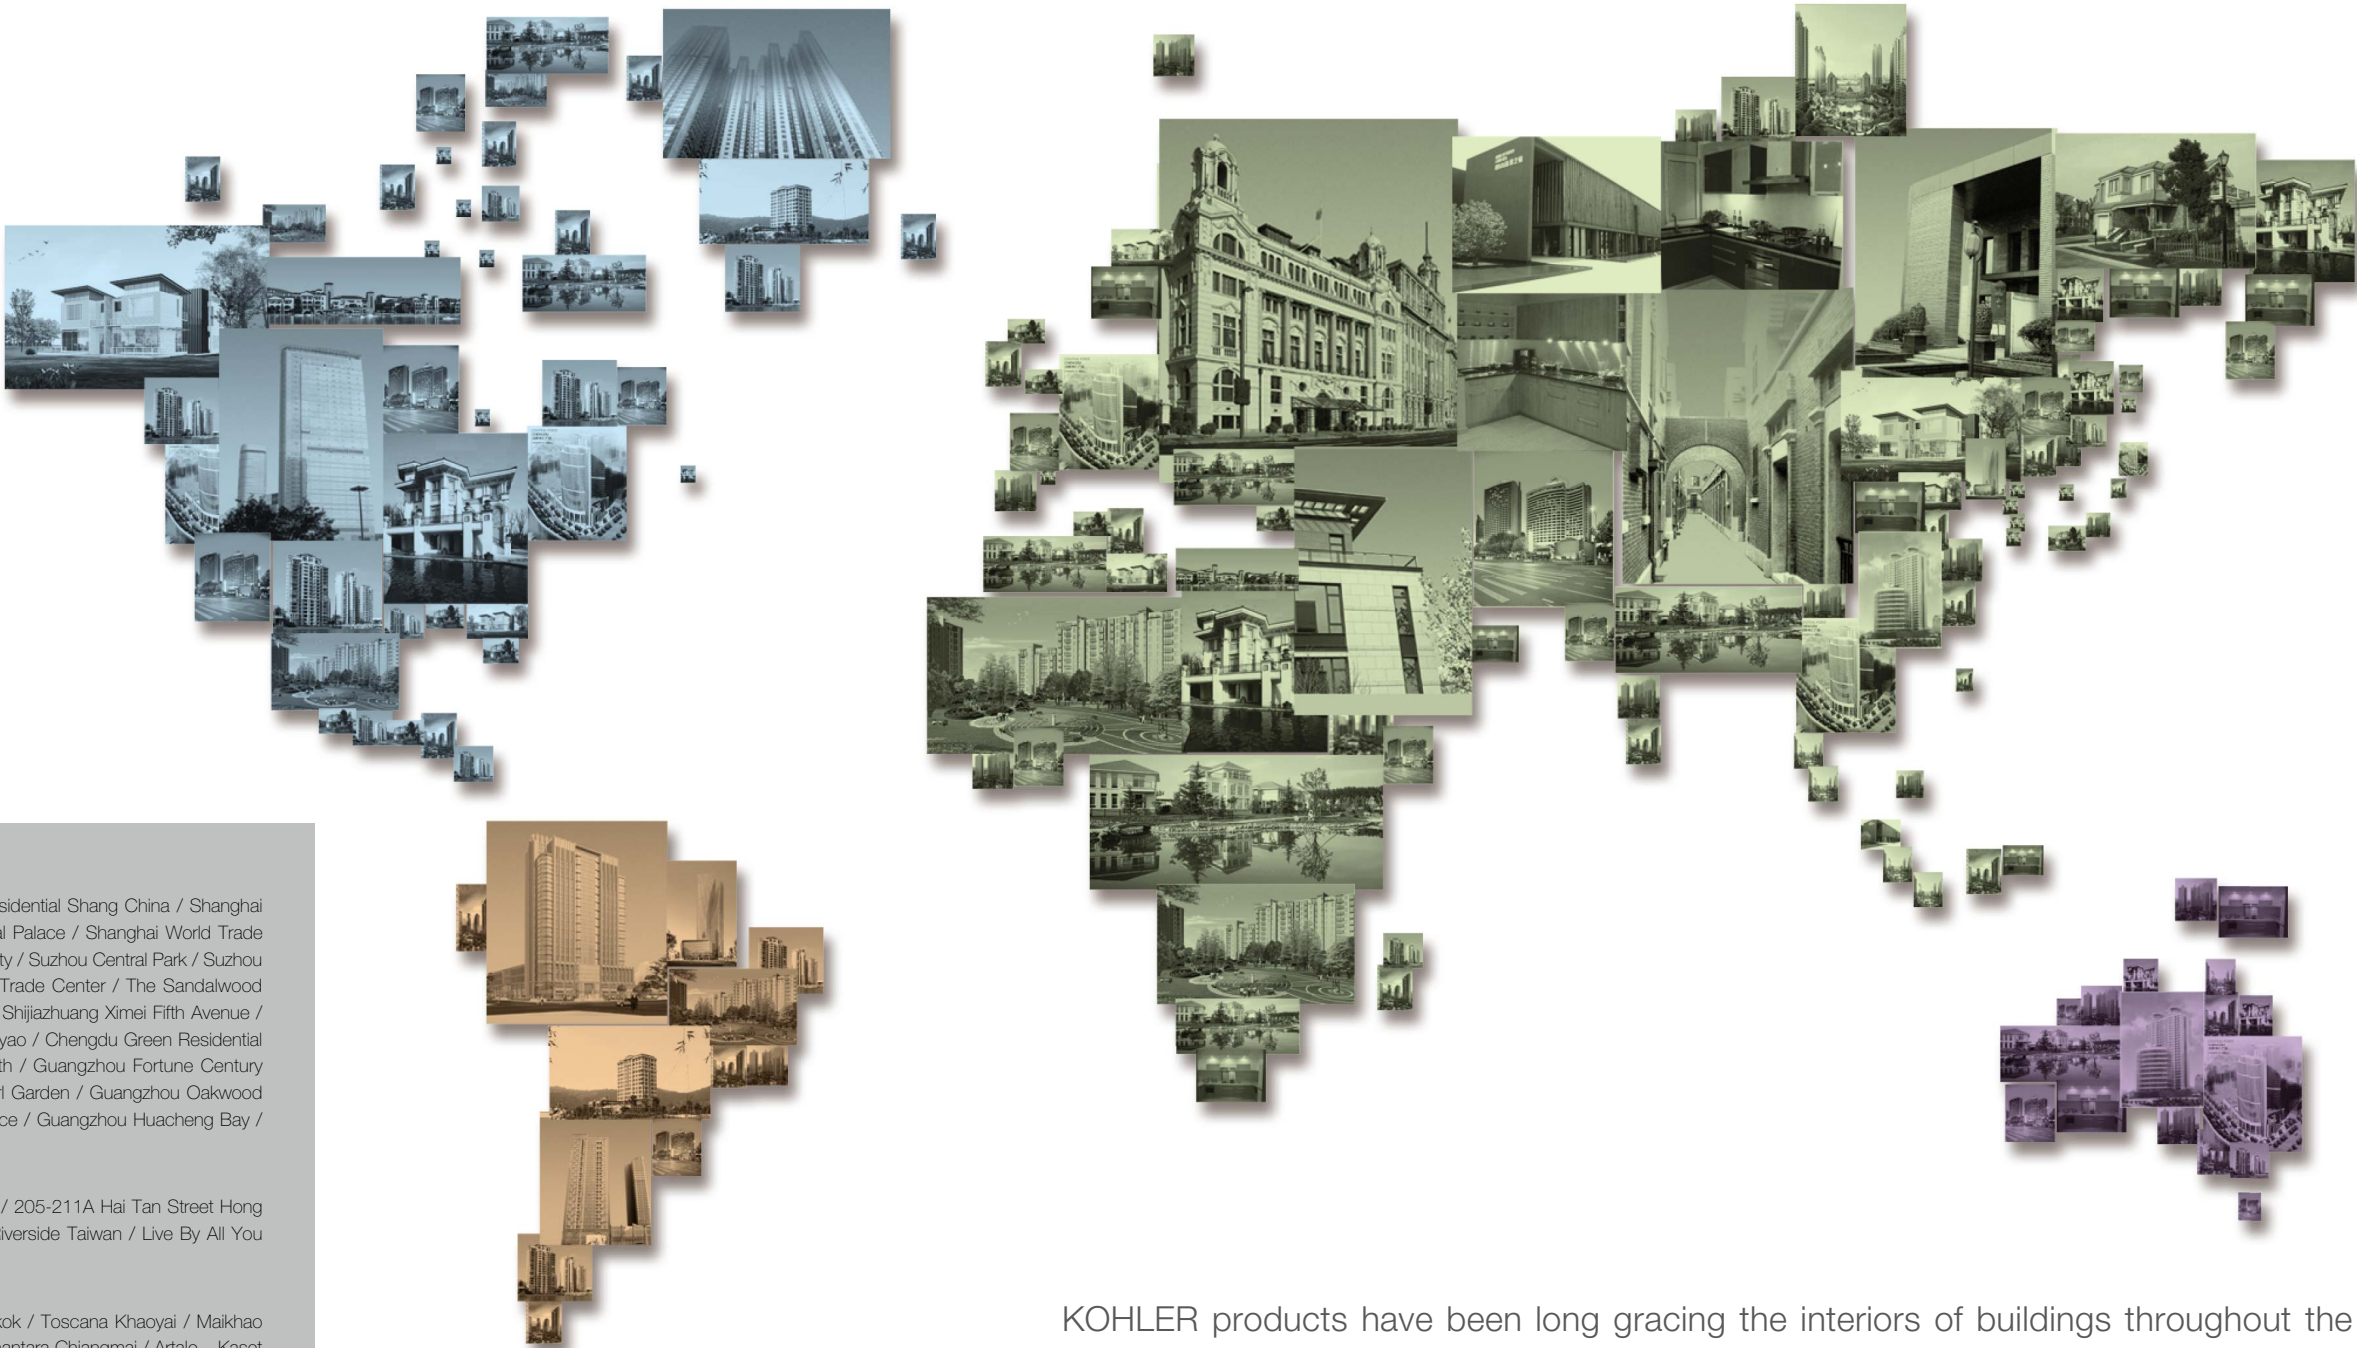

2014 – KOHLER Kitchens Purist Range wins the "2014 Trends Stylish Icons Celebration" Award.

2018 – KOHLER launches a new exclusive premium kitchen cabinet collection designed by internationally renowned designer Steve Leung. The collection reflects its sophistication with the streamlined design, creating a clean silhouette while complementing the design details

KOHLER products have been long gracing the interiors of buildings throughout the world. Walk into the finest residential developments, offices and five-star hotels across the world and you are likely to find KOHLER products adorning kitchen and bathrooms. The recognizable elegance of KOHLER kitchens has become a universal emblem of refined living and exclusive style.

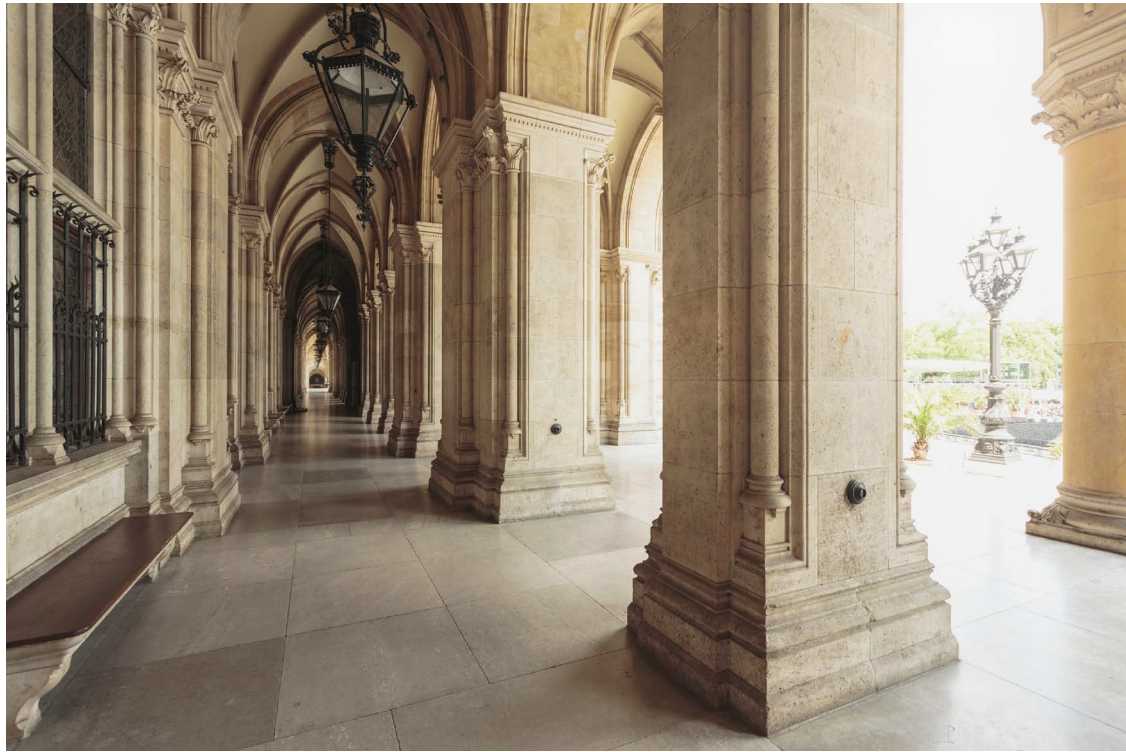

Environment-friendly kitchens for a sustainable future

As a leading kitchen and bathroom brand, KOHLER maintains a strong focus on corporate responsibility: serving society and protecting our environment. This commitment is expressed through Kohler company's social welfare initiatives, philanthropic projects, energy conservation strategies and ultimately through the design of "green" products. Kohler firmly believes that through the application of environment-friendly technologies we can build a bright and sustainable future for all.

Enjoyable cooking starts here

Our revolutionary kitchen designs blend luxury, elegance and style with quality and durability. Perfectly balanced contemporary forms create an impression of harmony and well-being. When you open the door of a KOHLER kitchen you enter a new dimension where aesthetic design merges seamlessly with convenient functionality.

Excellence nurtured by inspiration and skill

Dedicated to the pursuit of excellence, Kohler's design teams are committed to produce stylish and elegant kitchens that are enjoyable to use thanks to their functionality. Each new design is the result of an intense and precise creative process, nurtured by inspiration, experience and skill.

Contemporary designs for stylish living

Meticulous attention to details and thoughtful design complements Kohler's tradition of bold creativity. Our kitchens are the result of the best in American design; each form, each edge, each product has been conceived for elegance, practicality and a uniquely smooth feel of luxury.

*Wear-resistant Textured Series means MFC (Melamine Faced Chipboard), which is a kind of composite decorative board. It is covered with a layer of a special treatment on the substrate with anti-scratch, acid alkali surface, and then put a layer of color on the surface with decorative paper.

*Rigid series means the door panel has rigid veneer.

*Q10 series means PVC door.

*Wood veneer series means the door panel has wood veneer.

*Ecological dense timber series means the door frame is made of solid wood and the central part is made of MDF.

*Wood series means the material of door panel is solid wood.

*Natural stone means the door panel has natural stone veneer.

*Pictures in "Supreme" is only for reference, not as a basis for the sales, the actual selling product refers to the samples displayed in "Kohler Kitchen" showroom.

Art Traditions

— A heritage of artistry

Artistic inspiration and creativity have been a key element throughout Kohler's 146 years history. Kohler's debut in the world of art began in 1929 when the KOHLER Kathryn black fixtures series was exhibited at the Metropolitan Museum of Art in New York city.

The same inspired tradition of artistry continues to be expressed today in all KOHLER products.

Wear-Resistant Textured Series

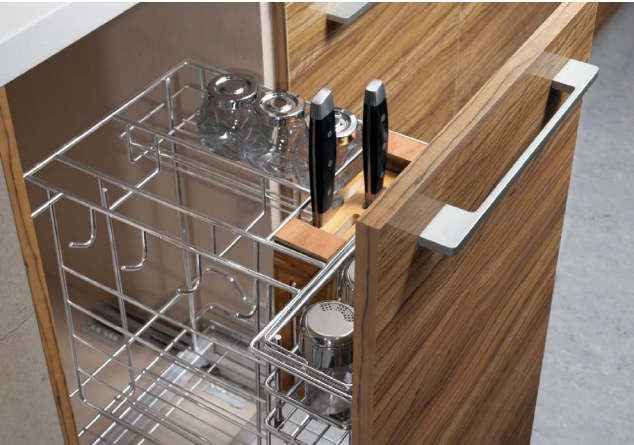

Corila™-G

Corila™ -G

Interesting textures, natural wood patterns and glazed materials blend tastefully with carefully selected contemporary colors. Beneath Corila's smooth exterior lie features that harmonize style with function, like the multi-functional pull-out wire basket and the discrete built-in refrigerator with a rack for bottles.

Corila™

Corila™

Sleek and elegant in appearance, this stylish wall unit is a symphony of color and contemporary lines, as pleasing to the eye as it is comfortable to use.

Prelude™

Prelude™

Cool, precise, simple and yet consummately elegant, Prelude expresses the alchemy of geometric magic as if it were music for the eyes. The feeling is fresh, modern and inviting.

Kuranda™

Kuranda, a tiny town nestled in the Australian rainforest, is known for its natural beauty and exudes warmth, charm and vitality. It is fitting, therefore, that Kuranda should lend its name to this KOHLER creation. The Kuranda kitchen will thrill you with the magical beauty of its warm and earthy tones.

Wave™ I

Bold in look, elegant in form and subtle in color, the Wave I kitchen breaks free from traditional aesthetics. Wave I has a neo-industrial edge emphasized by shiny metallic details and softened with a mix of misty gray stone and canvas patterns.

Wave™ III

Wave™ III

For a natural touch reminiscent of real wood, the KOHLER Wave III kitchen features deeply grooved wood-grain textures on both sides of the cabinet doors, which are trimmed with matching edge banding in the same color and texture. Step into this sleek, open kitchen where design and practicality meet.

Various and flexible resolutions of cabinets bring a sense of imagination, freedom, extensity.

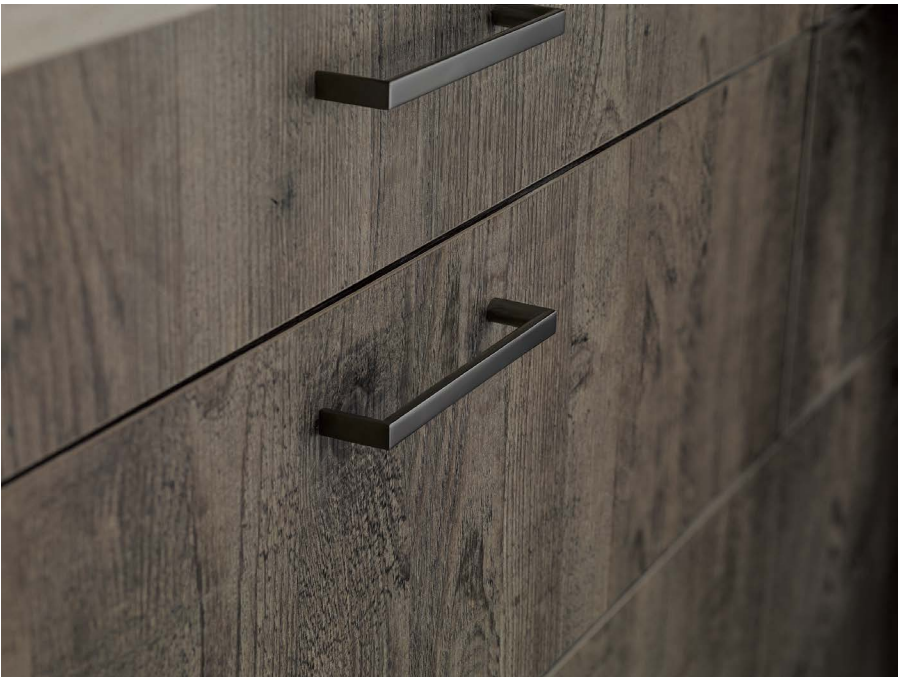

Urbanity™

Derived from the essence of New York, Urbanity series are plain, succinct and efficient reflected by prosperity with spontaneously grace and arts which are the footstones of all glories.

Designed for the modern rapid pace of life, from texture to line, from functionality to detail, each design of Urbanity series is just for simple and convenient operation to enable the busy urbanites to enjoy the fun of cooking again.

Nordic Sun™

Nordic Sun is a modern multi-functional cabinet set designed for optimum usability as an all-in-one solution for the kitchen.

Inspired by the Nordic design of elegant minimalism in gray and black, the style represents a bold yet reserved character.

It boasts an imposing height of 2.7 meters. The ingenious design incorporates intelligent lighting technology based on circadian rhythms. The lighting tone changes according to the time of day. Backsplash light bounces surrounding light onto the counter space, bringing a perfect lighting experience to the entire kitchen. It also features functional products, including a standalone compartment for spices and seasonings or medicines, a retractable power socket, pantry and appliance storage space, a separate cabinet for cleaning tools, meeting the needs of Asian users, as well as creating a sophisticated cosmopolitan touch.

Art Traditions —Pioneering design

In 1967 the “Bold Look of KOHLER” tagline was launched, positioning Kohler at the cutting edge of a design revolution in the global kitchen and bathroom industry. Today Kohler remains at the forefront of innovative kitchen and bathroom design, pioneering new styles and effortlessly seeking to refine and expand its range of products.

Rigid Series

Notiz™-B

Notiz™-B

Soothing and smooth,
Notiz-B invites you to touch and experience its
shiny elegance. The tones are muted, the lines
discreet, the finishing precise and satisfying.
Glossy door panels feel as pure as bone china.
Notiz-B strikes a perfect balance between form and function.

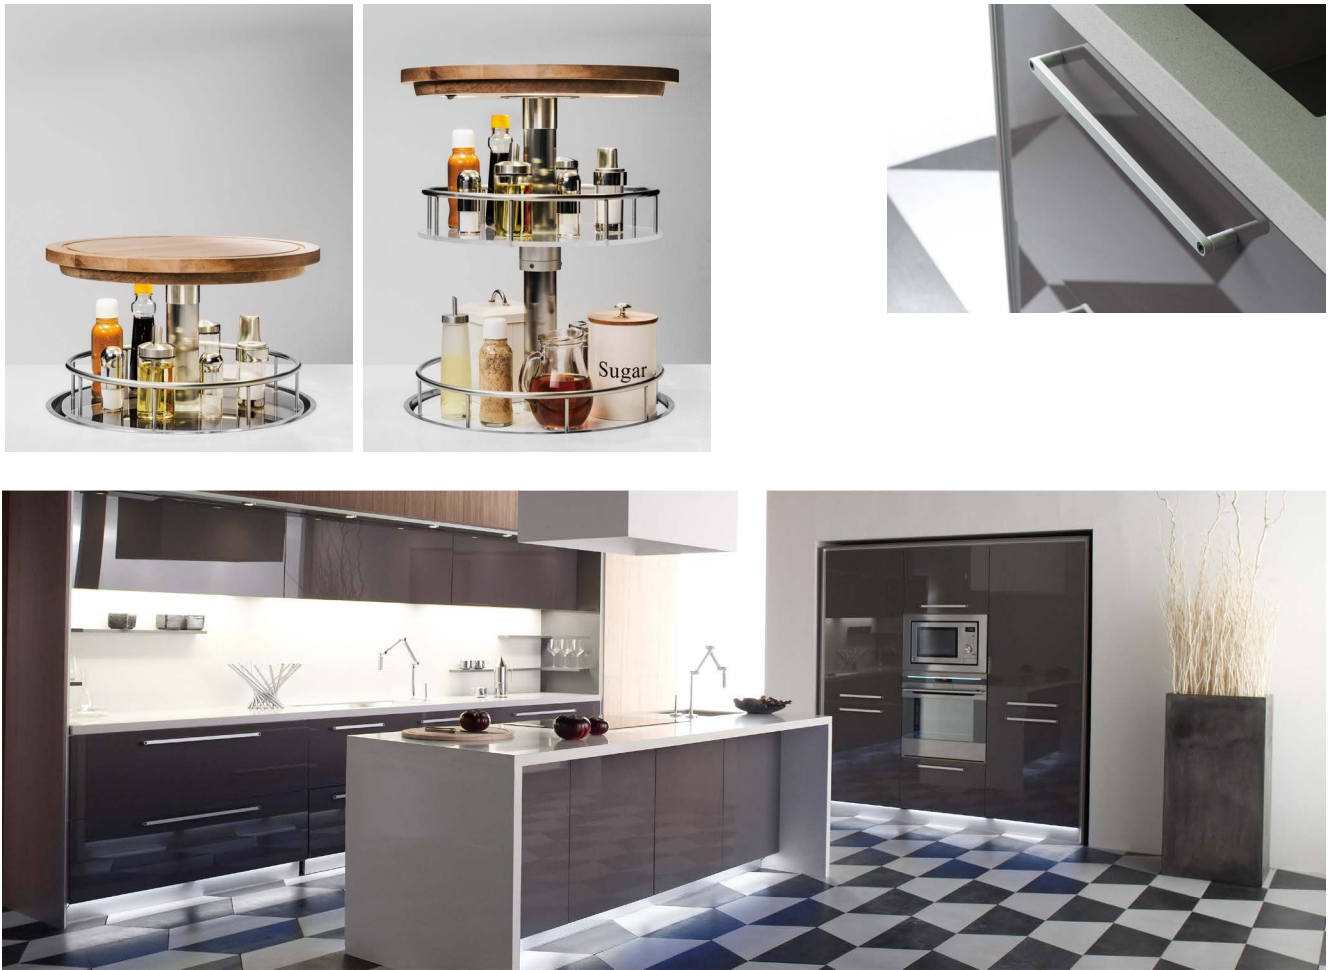

Notiz™-C

Notiz™-C

The fusion of beauty and function is an expression of perfection and harmony.
The art lies in finding balance between aesthetic forms that lift the soul and features that make being in the kitchen a sheer pleasure.
The secret lies in the details: clever but discreet storage, durable easy-to-maintain surfaces and pure clean lines.

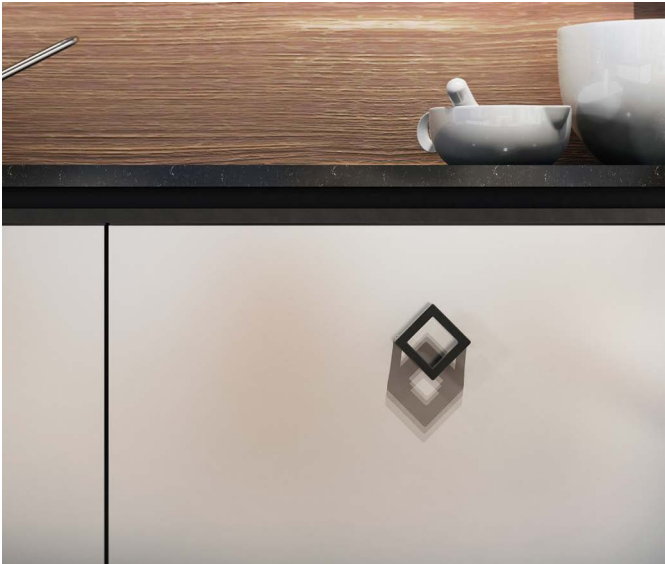

Ya™

Ya™

With an essence of traditional and classic Chinese aesthetics, the "Ya" series integrates Kohler's special DNA with the American minimalist design style, presenting an elegant re-interpretation of classical Chinese beauty.

Breaking through inherent design constraints, it draws its core inspiration from the Chinese Hui style of architecture, combined with the simple pragmatism of the American product design. It fully integrates ancient elegance with modern simplicity and practicality. Being both visually appealing and useful, it brings a completely new experience.

Art Traditions

— Renaissance

When Kohler began its “Art and Industry” program in 1974, it marked a renaissance in the world of kitchen and bathroom design. Since the introduction of the program Kohler has hosted more than five hundred resident artists from around the world. The arts/industry program is still a key part of Kohler today and represents the inspiration of some of Kohler’s greatest creative achievements.

Metal Series

KARESS™

Kohler Kitchens Karess combines a full metal surface with robust lines of futurism.

Suspended Base Unit design
Titanium-colored Finish

Concealed Music Cabinet

All-round concealed design, effectively preventing kitchen lampblack and steam.

Bluetooth connection, perfectly fitting various kinds of digital equipment.

Easy operation, enjoying your “exclusive”.

Oil Resistant Finish (ORF) technology for easy cleaning

* According to the Manufacturer's Standard Number (Q31/0106000060C014-2016) released in November 2016, Kohler Oil Resistant Backsplash has reached 5+ grade of oil repellent. "Oil Resistant Finish" refers to Kohler Oil Resistant Backsplash. Made of a nano-type fluorine polymer coating, it repels grime, is easy to clean and effectively repels liquids, especially water and oil.

Plinth Drawer

Storage solution for the plinth area.
Can be opened with simply touch to free up your hands.

Art Traditions —Honors

In 2008, KOHLER's PRO Integrated Kitchen Cabinet series was named Best Product Design by Domus, Italy's renowned architecture and design magazine.

The award served to strengthen Kohler's creative momentum, leading to the production of more kitchen design masterpieces.

As a further recognition of KOHLER kitchen cabinets' outstanding design Purist Range wins the "2014 Trends Stylish Icons Celebration" Award.

Lacquer Series

Nuva™

Nuva™

Rich contrasts, deep tones and pure lines are the defining features of the Nuva kitchen. Breezy and open, Nuva is delightfully refreshing: its gleaming, angular forms create the perfect space for a culinary adventure.

Retra™

Retra™

Every designer has a romantic side — a desire, the desire to infuse modern creations with a respectful nod to the past. Retra is that romantic dream... warm and contemporary, yet laced with nostalgic hints, echoes of another era. Retra is relaxed and lovely, like a perfect summer day.

Pavao™

Pavao™

Blue and cool.
Let Pavao's soft Mediterranean colors wash over your soul.
But remember: beneath her cool, sleek exterior
lies a kernel of pure quality.
Smooth surfaces meet functional cabinets,
creating a space which is a pleasure cook in.

Jadore™

Jadore™

Resplendent in shades of the rare blooming Centifolia Rose, which is commonly used in the production of rose oil for perfume, KOHLER's Jadore is the rose among kitchens, graceful yet daring in tones of pink and burgundy. A Jadore kitchen is coziness and warmth, a place you will want to retreat to after a long day, truly a haven in your home.

Wave™ II

Wave™ II

A uniquely contemporary expression of kitchen elegance, Wave II integrates cutting-edge design details with an innate understanding of the practical demands of a modern kitchen. The look is sharp and stylish, creating a space to savor and enjoy.

Extol™

Extol™

Extol inherits Victorian design, while integrating it with an inspired American minimalist style. It perfectly combines modern fashion with classic design in a graceful and conservative manner. Surrounded by Extol, you'll feel as if you were bathing in the sun, enjoying the warmth and romance of a British manor.

Salzburg™

Salzburg is the city of arts in Austria, which gave birth to the great classic musician Mozart and nurtured the Baroque Castle for thousands of years. Nowadays, Kohler Kitchens integrates the modern practical art to manufacture the Salzburg series with elegant and luxury appearances, comfortable and practical inherent quality and a court-dance like sensory experience.

The pure inner plate colors are simply and elegantly combined into the classic and innovative column structure and three colors are available for more design styles.

Inshine™

"With a pragmatic design concept" found in the Inshine Collection creates a beautifully crafted blend and balance between traditional American aesthetics and modern style. Inshine's extensive storage system of cupboards, drawers and open shelves creates a powerful sense of convenience, order and refinement for a gracious lifestyle.

Art Traditions —Releasing the potential

Seeking to deepen its connection with the art world, Kohler launched in 2010 an art project in cooperation with China's famous 798 Art Zone in Beijing.

The idea was to bring working artists closer to Kohler's production process, encouraging them to apply their creativity to new industrial raw materials and techniques. More than 100 artists have taken part in the project – a resounding success further strengthening Kohler's creative spirit.

Q10 Series

Nantuckett™

Nantuckett™

Echoing the coastal resort of the same name, Nantuckett is infused with classic American style. The mood is open and breezy. The style is relaxing and chic, creating a kitchen space you will always enjoy.

Ipswich™ / Valmont™

Ipswich™ / Valmont™

Named after a small city in England, this timeless design turns the kitchen into a uniquely romantic space, at once graceful and elegant. The details and finishing remain modern but are balanced with subtle echoes of more classical styles.

Ipswich™ II

Art Traditions —Honors

As a further recognition of KOHLER kitchen cabinets' outstanding design Purist Range wins the "2014 Trends Stylish Icons Celebration" Award.

Mirror Series

Purist™ Kitchen Range
Design inspired by Minimalism

Purist™

Pleasing minimalist design expressed in soothing and elegant tones.
A simple, understated style that combines refinement with perfection,
right down to the finest details.

Purist™

Pure colors that convey a sense of luxury.
A poetic expression of purity designed for your pleasure.

The background of the entire image is a close-up, high-resolution view of a wood veneer surface. It features a dense, wavy grain pattern with alternating bands of dark, almost black, and medium brown tones. The texture is highly detailed, showing the natural grain of the wood. The surface is composed of rectangular panels separated by thin, dark lines, which are slightly recessed, giving it a three-dimensional appearance.

Wood Veneer Series

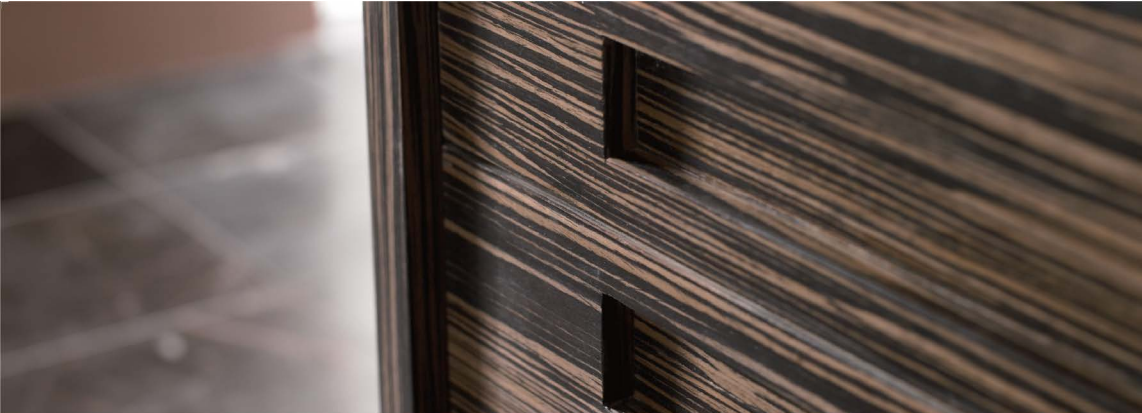

Assyria™

Assyria™

Confident and charming without being overstated, Assyria is an expression of refinement that is both minimalist and contemporary. Soothing wood tones bring warmth and harmony, while providing balance to Assyria's silky smooth surfaces.

Trenquillite™

Trenquillite™

Home should always be a place of tranquility and peace.
Trenquillite exudes calmness and purity.
Gentle earth tones blend with smooth white surfaces.
The atmosphere is fresh, clean and uplifting.
This is a kitchen to create in, a kitchen to cherish as a
place of beauty and tranquility.

Art Traditions —Continuity

Kohler's design philosophy once again was recognized in 2009 when its integrated kitchen cabinet series won the Trendsetting Design Brand Award by the Kitchen & Bath Power List.

In the same year, Kohler's Karbon kitchen faucet was awarded the International Best Design Award by the renowned Industrial Designers Society of America (IDSA).

Ecological Dense Timber Series

Amerissic™

Amerissic™

The natural pattern of wood gives off the unique charm of fortitude and maturity.
Lines and random curves gleam in the company of metal hardware.

Pastorife™

Pastorife™

The round bronze hardware dances in the square wood,
just like minimalist American stripes flying in the wind,
all the while transporting us to the calm, peaceful life of a by-gone era.
Pure white radiates against the dark cabinet top and flooring,
in a bold mix of contrasting colors, giving a feeling of simple elegance.

Bristol™

Rich and distinguished, the Bristol kitchen is hewn from carefully selected North American cherry trees. The result is a timeless statement of refinement and taste, a kitchen for the ages inspired by the finest traditions of American craftsmanship and design.

Fairfield™

Refinement and classical elegance expressed in delicate details, Fairfield pays homage to traditional aesthetic values. Superbly carved finishing adorns the cabinets. Warm sandstone tones create a kitchen that feels rich, mature and inviting.

Natural Stone Collection

Crestone™

Inspired by the Rocky Mountains of North America, the combination of natural rock with tactile texture wood integrates natural elements into your kitchen, creating for you an unparalleled experience, as if you were standing in an elegant house in the mountains.

Crestone™

Incomparable, naturally uneven surfaces dramatically present the vivid grain and texture of rocky surfaces, transporting us into a world of serenity and harmony.

Inheriting internationally renowned designer Steve Leung's elegant and contemporary touch, the collection reflects its sophistication with the streamlined design, creating a clean silhouette while complementing the design details. The built-in kitchen blends into the dining room seamlessly with the decoration embedded on the door panel, allowing a smooth transition from the kitchen area to the dining room.

Steve Leung Collection

Purity™

Inheriting Steve Leung's elegant and contemporary touch, the collection reflects its sophistication with the streamlined design, creating a clean silhouette while complementing the design details. The built-in kitchen blends into the dining room seamlessly with the decorations embedded on the door panel, allowing a smooth transition from the kitchen area to the dining room.

Comprehensiveness™

As a design veteran and connoisseur of Chinese dining, Steve Leung developed the product designs with four key kitchen elements in mind - storage, preparation, cooking (process) and indulgence. By linking the products to the users' needs, Steve is able to design a set of user-friendly products for Kohler, making it a pleasant and easy cooking experience for family and friends.

Art Traditions —Breakthroughs

Inspired by the creative influences of the art world, in 2012 KOHLER introduces in the market another breakthrough innovation: KOHLER Cabinet Artist Editions, a new product line designed and created with the involvement of famous artists.

Artist Editions

Artist Editions I-A

Artist Editions I-A

Fairytale Memories in Neverland
Silvery lines and abstract shapes swirl together in a misty dreamscape where we recall an emotion, a memory, a time we have experienced before, changing with each look depending on our mood.
This unique work of art brings to your kitchen an endless source of inspiration and refreshment for your spirit, as well as creating for you a harmonious, dreamlike experience.
